# THROUGH SPORT WE HAVE THE POWER TO CHANGE LIVES

Our purpose, 'Through sport, we have the power to change lives,' guides the way we run our company, how we work with our partners, how we create our products, and how we engage with our consumers. We will always strive to expand the boundaries of human possibility, to include and unite people in sport, and to create a more sustainable world.

## O U R P U R P O S E

## O U R M I S S I O N

# TO BE THE BEST SPORTS BRAND IN THE WORLD

Athletes do not settle for average. And neither do we. Every day, we come to work to create and sell the best sports products in the world, and to offer the best service and consumer experience – and to do it all in a sustainable way. We are the best when we are the credible, inclusive, and sustainable leader in our industry.

## O U R M I S S I O N

# HOW WE WIN WHILE PLAYING FAIR

Our values of COURAGE, OWNERSHIP, INNOVATION, TEAMPLAY, INTEGRITY and RESPECT are closely tied to our culture and ultimately are the essence of our identity. Our values offer clarity on the essential behaviors and mindsets that we value in our colleagues and represent the attitude we want to see in each other. Values show us what is important to help us achieve our best performance.

## O U R V A L U E S

## A LEADER IN ATHLETIC PERFORMANCE SINCE 1949

We're inspired by athletes. From the very first track spikes Adi Dassler made in his workshop, creating the best gear for the athlete is what drives us to pursue technological breakthroughs and design innovations. Our sneakers and apparel are worn by world-record holders and medal winners, but it's just as important that road runners, weekend hikers, recreational soccer players, and fitness enthusiasts. From adidas Boost, the game-changing cushioning technology, to the world-beating design of Adizero Adios Pro running shoes to Terrex outdoor gear to soccer cleats with unbeatable touch, we're always iterating, innovating and improving with athletes in mind.

The 3-Stripes have appeared on medal stands all around the world, but they've also had an influence that extends far beyond the field of play. adidas sneakers have been worn by hip-hop performers, skaters, artists and all the other change-makers who move the culture forward with their vision and uncompromising style. We've made our mark with legendary lifestyle shoes like the adidas Superstar, the Stan Smith and the Samba, shoes that began as athletic footwear before hitting the streets and leaving an indelible impression on the culture.

adidas Originals apparel is a stylish complement to our lifestyle shoes. Our streetwear collections pull from the archives to put a modern spin on classics like the Firebird tracksuit and the Tiro pant. Luxe materials, sophisticated silhouettes and unexpected details elevate our streetwear and transcend sport while at the same time never losing sight of our heritage. Because our mantra is, and has always been, that through sport we have the power to change lives.

INSPIRE A SOCCER NATION AND THE CULTURE BORN FROM IT.

## **GENERAL TERMS AND CONDITIONS OF SALE of adidas America, Inc. (the "Company")**

**ORDERS** These General Terms and Conditions of Sale (the "Terms and Conditions") apply to and form an integral part of all quotations and offers made by the Company, all acceptances, acknowledgements (including a functional acknowledgement sent on receipt of an electronic order) and confirmations by the Company of any orders by Customer, and any agreements regarding the sale by Company and purchase by Customer of product and services. The Company's acceptance of orders is based upon these Terms and Conditions. All purchase orders or other procurement documents (including purchase order confirmations, compliance guides, and routing and logistics guides) submitted by Customer shall be governed by these Terms and Conditions. To the extent that any provisions contained in the Customer's purchase order or other procurement documents conflict with or would change, modify or supplement these Terms and Conditions, these Terms and Conditions will control, even if Company does not expressly contest such provisions and any such conflicting provisions shall be wholly inapplicable to any sale made by Company to Customer and shall not be binding in any way on Company. Without limiting the foregoing, Company further rejects terms and conditions inconsistent with, different from or additional to those contained herein which are contained on any website of Customer for which access is conditioned on acceptance of such terms and conditions. A functional acknowledgement sent on receipt of an electronic order does not constitute acceptance of electronic data interchange orders. Customer's order of the product will manifest Customer's agreement to these Terms and Conditions.

**ORDER REQUIREMENTS** Order entry date will determine earliest requested delivery date for the product, as established and communicated by the Company based on availability and lead times. Earliest requested delivery date will reference the Start Ship Date (which is the date the Customer is expected to take possession of the order) and may vary by order type such as, but not limited to, (a) future, (b) fill-in, and (c) closeout orders. Customer delivery dates that do not meet requirements may be adjusted at the Company's discretion. Orders must also meet minimum quantity requirements by product division (e.g., footwear) as established and communicated by the Company, unless otherwise agreed to between Company and Customer. Orders will be managed through a confirmation process where the Company evaluates Customer-requested delivery dates at the time of order integration against Company (a) current supply availability or (b) End-to-End lead times, and the Company provides a Confirmed Customer Delivery Date. Delivery performance will be targeted and evaluated against this realistic confirmed delivery date.

**BACK ORDERS** Back orders are shipped FOB shipping point. Back orders will not be created for fewer than four (4) pieces.

**ALLOCATIONS** Orders and shipments are subject to allocation by Company in times of product shortages as determined by Company in its sole discretion.

**CANCELLATIONS** Requests to cancel orders must be made in writing no later than thirty (30) days before the start ship date and are subject to Company's approval. All cancellations and refusals may be subject to a restocking/processing fee. Cancellations exceeding ten percent (10%) of futures bookings will result in evaluation of future discounts. Confirmed container and direct ship orders are not cancellable.

**CHANGES IN ORDERS** Changes in orders will be considered only (a) within thirty (30) days of order submission in the case of container or dedicated orders, or (b) no later than forty-five (45) days prior to the first shipment date indicated on the order in the case of warehouse orders.

**PRICING** All pricing error claims must be submitted to Company within thirty (30) days of the applicable invoice due date. All pricing error claims submitted within this timeframe will be reviewed and approved or denied based on the merits of the claim at the sole discretion of Company. All pricing error claims submitted beyond this timeframe will be automatically denied. Pricing error claims that are not accompanied by a corresponding invoice number will be denied. Orders will be billed at prices prevailing at the time of shipment as reflected on Company's then current price lists. In the case of an order for delivery by installments, the price payable on each installment shall be the prices prevailing at the date of shipment of that installment as reflected on Company's then current price lists. All prices are subject to change without notice. No employee, company representative or any other party other than an officer of Company is authorized to alter Company's pricing terms.

**SHIPPING** Freight terms are FOB shipping point for all domestic shipments and FOB port for direct shipments, unless otherwise approved in writing by Company. The Company cannot guarantee that all orders placed by a Customer that meet adidas' direct shipment criteria will be processed as a direct shipment. In that circumstance, the order will receive FOB shipping point freight terms. Customer assumes all risk of loss upon delivery of products by Company to Customer or Customer's representative. All delivery indications are estimates only. In no event will Company assume any liability, consequential or otherwise, as a result of Company's failure to deliver product in accordance with indicated delivery schedules. Company will reject any late shipping fees unless approved by the Company in advance in writing. Delivery of part of an order does not obligate Company to make further deliveries, and partial deliveries will be billed when made.

**TERMS OF SALE** Payment terms are net thirty (30) days from invoice date, unless otherwise specified. Any amounts not paid within net terms are subject to a service charge of 1-1/2 % per month or the maximum rate permitted by law, whichever is lower. No cash or prompt

payment discounts will be allowed on any invoice paid past the invoice discount period. Customer shall not set off against or deduct from any amounts due to Company hereunder all or any part of any amounts owed or alleged to be owed by Company to Customer. If Company, in its sole discretion, at any time is unsatisfied with Customer's financial responsibility, or feels it needs further assurance that Customer will pay for outstanding orders, Company shall be entitled to require Customer to pay for its orders on a cash-in-advance basis. If Customer is in default under any agreement with Company, or fails to comply with any written rule or policy of Company, including these Terms and Conditions, Company shall have the right, without prejudice to any other legal remedy, to cancel all outstanding orders. Company shall have the right to set off and deduct any amounts due to Company from Customer against and from any amounts owed or allegedly owed by Company to Customer.

Determination of the grade quality is at the sole discretion of Company. Display models cannot be returned, and will not receive credit if included in a Return Authorization. All returns must be shipped prepaid at Customer's expense. In addition, Customer will be responsible for any handling charges incurred by Company as a result of a return.]

Furthermore, Company only will agree to chargebacks, including for a value-added service (VAS), that reflect actual direct costs incurred by Customer and will not accept punitive or administrative chargebacks. Even for chargebacks agreed upon in writing by Company, if Customer fails to provide sufficient documentation to support the chargebacks, Company may reject the chargebacks and/or assess a reasonable research fee for time spent to research the chargebacks.
